

WAKA WAKA BASE-5

BUY NOW!

The **WakaWaka Base 5** is the next step in the evolution of portable solar power.

An all-in-one compact **portable solar power kit** for when the light goes out.

The Base is intended for anyone that hates to be out of power, or loves to be on the move. It converts solar energy into battery power significantly faster than any other solar charge pack on the market today. A single day of sunlight is enough for multiple phone charges or an entire week of light.

WAKAWAKA IS IN THE BUSINESS OF IMPROVING LIVES.

1.2 billion people have no access to electricity. WakaWaka ('Shine Bright' in Swahili) makes the most efficient solar powered lamps and chargers in the world. These are true lifesavers for anyone in need of electricity, both in the developing world and in the West. That's why for every WakaWaka you purchase, one WakaWaka Light is donated to a family living in the dark.
